Pianist, Rena Amiralieva, and violinist, Rufat Amiraliev, were born - as sister and brother - into an acclaimed musical family in Baku, Ajerbaijan. Their mother was their first, very exacting, music teacher and they were seasoned performers by the age of ten. Garnering academic accolades and winning prestigious prizes in Russia and Europe, they were well known in their native country before emigrating to Canada some twenty years ago. Since then these accomplished artists have delighted Ontario summer festival audiences with their "polished and astonishingly brilliant playing" while their solo and ensemble work and unique repertoire have won the hearts of discerning Toronto and Ottawa audiences. This is the duo's third performance at Novalis Hall, a much anticipated return! The inspired collaboration of two outstanding musicians is guaranteed to attune the souls of listeners to burgeoning, life giving forces of nature that rejoice all around us at the start of Summer.
